

# PLAY & LEARN

## Birth to Five

Project SAFE and We Rock the Spectrum Kids Gym Northridge are joining forces to promote growth and development through PLAY!

We Rock the Spectrum Kids Gym provides children with a fun environment to help them in the areas of strength, movement, sensory processing, communication, positive behavior modification, social interactions, and self-care skills. Their unique equipment assists all children in their neurological growth and development.

Please join us for this parent-child *interactive* event and learn from Dr. Aggie, Owner of WRTS Northridge!
